Will be Feature of Convention Says Tomlinson; Host of Arizonans Coming.

of Arizonans Coming.

T. W. Tomlinson, secretary of the American National Livestock association, returned to El Paso Priday from Prescott, Aria, where he attended the annual convention of the Arizona Livestock association. He found awaiting him, a letter from R. B. Thomson, secretary of the National Wool Warchouse & Storage Co., at Chicago, confirming an earlier telegram that the big exhibit of wool and wool products, which would be shown at Sait Lake during the annual convention of the Wool Growers association, would be sent to El Paso to be exhibited in the chamber of commerce during the week of the livestock convention. The exhibit will be in charge of James H. Cameron of Boston, who will explain it in detail to those who may visit it while it is hell Paso.

Carloads of Arizonans Coming.

Mr. Tomlinson confirms all thut was said by Dwight D. Heard, president of the American National Livestock association, on the occasion of his recent visit to El Paso, regarding the attendance of Arizona Hvestock men at the El Paso convention.

"I was lold, and feel quite sure from the enthusiasm manifested, it was correctly stated, that Phoenix and the Sait Hiver valley would send fully two special carloads of livestock men to El Paso. Prescott and the northern cattle towns of the state will send another carload. Tueson and Nogalen had the intervening country will send another carload. Still another carload should come out of the Tonto Hasin and Glia and Greenlee counties, while Cochine county will send another carload. Still another carload should in not more. At least this was the way it was put up to me while it was in Prescott.

The mail which has accumulated since I want to Prescott is filled with assurances from all parts of the country of a big attendance at the convention from the scribery covered by the respective letter writers.

Mr. Tomlinson has been advised that Arthur G. Lesonard, rice president of the National Wool Warchouse & Storage Co., and president of the Union Stock Yards Co. of Chicago, will attend the
